Who is responsible for fence maintenance for the following fences?

- ❖ In the Hilltop, Meadows, Morningside and Village Filing #7 - those which border the school property around Indian Ridge Elementary or Laredo Middle School or those which back to the Albertson's shopping center property
- ❖ In the Summit - Those which border the open space (detention area) between the Summit and S Joplin Way
- ❖ In the Glen - those which back to the open space behind the Glen along the Home Depot / Wal-Mart property and which face the open space along Chambers Rd
- ❖ In Piney Creek Village, Filing #2 – those which border open space between the filing and Cherrybrook HOA, or those which are along the ECCV property between the filing and Orchard Rd and those along Lake Avenue (wrought iron).

In general, fences that border common areas of the community are maintained by either the Piney Creek Maintenance Association, Inc. or the Piney Creek Recreational Association, Inc. This maintenance includes the repair and/or replacement of lumber and the staining of the common area side of the fence. In some cases, repairs and/or replacement of lumber can be limited by landscape conditions in the homeowners yard. Homeowners are expected to create adequate access for repairs and/or maintenance. Fences which border the school properties (or any other property which is not owned or maintained by the Associations) are the responsibility of the lot owner to maintain. Fences in the Village, Filing #2 are solely the lot owner's responsibility in accordance with the protective covenants, section f. Lot line fencing between neighbors is the responsibility of those neighbors. Neither the Piney Creek Maintenance Association, Inc. nor the Piney Creek Recreational Association, Inc. are aware of specific details regarding shared fencing between neighbors. Neighbors are encouraged to negotiate their responsibility for private lot line fencing amongst themselves.
